EDUCATION

Canara Engineering College   Mangaluru, Karnataka
Bachelor of Engineering in Computer Science and Engineering   *Nov. 2022 – Present*
CGPA: 9.17

Kendriya Vidyalaya INS Kadamba Arga Karwar (CBSE)   Karwar, Karnataka
Pre-university course-PCMCs   *April. 2021 – June. 2022*
Percentage: 91

Kendriya Vidyalaya INS Kadamba Arga Karwar (CBSE)   Karwar, Karnataka
X School   *April. 2019 – March. 2020*
Percentage: 80.2

TECHNICAL SKILLS

Languages: C, Core Java, Fundamentals of Python, SQL (MySQL)
Backend: Firebase
Web Development: HTML, CSS, ReactJS(Basic)
No Code Platform: Flutterflow
Developer Tools: Git, VS Code, Jupyter Notebook

PROJECTS

FindMyRecipe | *ReactJS, Vite, Tailwind CSS, Flask, MySQL*   *May. 2025 – August. 2025*
- Built an interactive recipe discovery platform using React to help users find dishes through advanced filtering or based on ingredients they own.
- The application features AI-powered recipe generation and a complete user account system for uploading, editing, and deleting personal recipes.

Loan Approval Prediction | *HTML, CSS, Flask*   *March. 2025 – April. 2025*
- Developed a Flask-based web application to predict loan eligibility using a machine learning model.
- The application features a clean user interface for data input, preprocesses user data in real-time, and provides instant approval predictions.

HACKATHONS AND COMPETITIONS

- **TITAN 'MakeforMangaluru' Makeathon**   *August 2025*
  Prototyped a secure payment architecture using an escrow model with automated split payments to guarantee fair and direct disbursement to artisans.

- **SAP Hackfest – Idea Pitch**   *May 2025*
  Pitched a blockchain-based marketplace concept designed to provide artisans with direct market access and ensure fair trade through a transparent supply chain.

COURSES AND CERTIFICATES

- **Introduction to Web Design and Development - LinkedIn Learning**   *Dec 2024*
  Completed LinkedIn Learning's Web Design and Development course, gaining foundational knowledge in HTML, CSS, and basic web development.
- **SQL (Basic) HackerRank**   *July 2024*
  Completed HackerRank SQL (Basic) certification, demonstrating proficiency in data retrieval, filtering, sorting, and basic database management.
